

\$1,000 Coats for Kids Scholarship Recipients Announced

Donnell Insurance Brokers Ltd. is pleased to offer a \$1,000 Scholarship to each Burlington high school that participates in our annual 'Coats for Kids' campaign. To qualify for this Scholarship, each high school is required to collect a minimum number of gently used coats based on their current enrollment. These coats are then donated to the Salvation Army and / or the Compassion Society.

Thanks to the overwhelming response from our local high schools, we were able to donate 850 gently used coats. Our community thanks all who gave!

The \$1,000 Coats for Kids Scholarship recipients were recently announced. Recipients have demonstrated outstanding qualities in more than one of the following areas: academic, vocational, self-improvement, community work, citizenship and student leadership. The students truly deserve our admiration and congratulations on their achievements. We wish you well as you continue your educational journey.
